The Lord said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." (Mt.9:37f)

Thank you for your faithful support!

With your help 30+ students were trained at LTS in 2015. 5 of these are enrolled in a PhD program at UP or in Missouri. A Day-Care with 10 kids was started and 5 more children of students are supported at local schools.

In 2016 we want to admit 10 new students. **Please help us to raise scholarships and bursaries!**
